- **Permits/Visas** – foreign students must have all necessary permits in place prior to 45 days before start of class, as governed by Citizenship & Immigration Canada (www.cic.gc.ca). This may include one or more of the following: Study Permit, Work Permit (limited), or Temporary Resident Permit.

- **Practicum:** In order to participate in the Practicum program, student must satisfactorily complete & graduate from both the Professional Culinary and Professional Pastry & Bread program, and have maintained an attendance record with fewer than three days absent. Student must have the approval of NWCAV Owner-Chef Instructors & the host Chef. Students may not be allowed to do a practicum if the chefs feel that the student's general attitude, work ethic, and ability to work very well with others is not above average based on the daily practical reviews.
Note: NWCAV is required by law to inform Citizenship & Immigration Canada of any international students who do not qualify for, or do not participate in the Practicum program.

NWCAV reserves the right to refuse acceptance into its professional programs if it is determined that a student does not meet the admission requirements, in particular (a) if the student has not demonstrated sufficient academic potential as determined through entrance testing (if required), transcript evaluation, English communication skills or any other evaluation deemed appropriate for the program selected, and (b) the student does not meet all financial obligations related to enrolment and continuing enrolment as outlined in this Policy Manual and the Student Enrolment Contract.

ATTENDANCE POLICY:

When a student is absent, the following procedure must be adhered to:

Phone the school to let us know that you will be absent; we want to make sure you are alright. It is advisable to have a doctor's note if you require seeing one.

Perfect attendance is an absolute requirement in the industry. For that reason, attendance is worth 7% of your final mark. Each day missed without a valid doctor's note will result in 1% being subtracted from your final mark, and will be recorded as 1 day absent. Tardiness (more than 10 minutes late) & leaving early without the floor Instructor's permission will result in ½% subtracted from your final mark & recorded as ½ day absent. Students with more than 3 days absent will not be eligible to pursue the Practicum Program. Students with more than 7 days absent (10% of the course) *may* be eligible for the final exams but *will not* receive the Academy's diploma therefore *will not* be allowed to continue onto the next term. Students should miss as little time as possible due to the intensive workload.

If you miss a quiz & have a valid doctor's note your marks will be averaged; without a note the quiz will be marked as zero.

Any students causing classroom disruption may be sent home at the sole discretion of the instructor in charge. Additionally the student will be marked absent for the day.

STUDENT CODE OF CONDUCT POLICY:

PROFESSIONAL STANDARDS:

Students entering any of the Academy programs are being trained for employment in the Professional Food & Hospitality Industry. As part of their training the Northwest Culinary Academy of Vancouver requests of all students the same professional standards as an employer would expect.

The Academy & its faculty demand all students maintain a professional standard of attitude and follow appropriate food handling guidelines. Potential employment & the Practicum Placement program are based as much on this professional attitude as on an ability to cook or bake.

The Professional Programs are designed to best prepare the student for the professional industry. Students will be exposed to exercises that will challenge their skill-based development, and more importantly, their ability to cope and improve their time-management, stress management and team communication skills. These are skills deemed *essential* by culinary professionals in order to continue to develop and succeed in the industry. All students, irrespective of their goals after graduation, whether they be professional or non-professional, will be treated as if entering the industry and expected to respect and participate whole-heartedly in the daily class work.

DISMISSAL/EXPULSION POLICY:

The following are considered grounds for potential immediate dismissal:

- Upon withdrawal / dismissal, all uniform jackets remain the property of NWCAV, and must be returned.

WITHDRAWAL POLICY:

Should a student wish to withdraw from one of the academy's professional programs it must be done in writing, stating the reasons, the date, and be signed by the student or their parent/guardian. Please review the refund policy according to Private Career Training Institute Act (PCTIA), outlined in the Student Enrolment Contract attached to the Application for Admission, and found on the PCTIA website at www.pctia.bc.ca. In the case of a discrepancy between the Refund Policy in the NWCAV documents and the one found on the PCTIA website, the version on the PCTIA will be deemed to be binding.

GRADE APPEAL POLICY:

Policy:

Because of the nature of grading the practical aspect of the Culinary and Pastry Arts (can be subjective to personal taste interpretation), the practical grades are always the average of 2 instructors assessment. Students are given three formal meetings during each term (scheduled one on one meetings with an instructor) to review and challenge their marks.

Procedure:

- 1) First try to resolve the appeal through an open conversation during a one on one meeting with owners, chef/instructors Christophe Kwiatkowski and Tony Minichiello.
- 2) If necessary, place your complaint in writing and address it to the owners, chef/ instructors Christophe Kwiatkowski and Tony Minichiello.

NOTEABLE INFORMATION

Students are to refer to the Chef Instructors as "Chef" when at the Academy.

Students may not claim affiliation with NWCAV without prior approval. They may not, for example, claim to be a chef from the Academy or that they have any authority to represent NWCAV.

Procedure:

- 3) First try to resolve issue through an open conversation with the other party.
- 4) if necessary: Place your complaint in writing & address it to the "Floor" Instructor (floor instructor refers to the Chef Instructor who was in charge of the class when the event/issue arose). He/ She will request submissions from all involved parties, including witnesses, conduct an investigation & set up a meeting within 48 hours. The floor instructor will provide a written decision to all parties within 24 hours after the meeting.
- 5) if necessary: Repeat step 2 with either one of the two owners, (Christophe Kwiatkowski or Tony Minichiello).
- 6) if necessary: The parties will appoint an outside mediator/arbitrator, for which the Academy will bear the cost of the process.
